Dear graduate

You are cordially invited to participate in the Online-Graduation-Ceremony of the study programs of the Computer Science Department. Of course, your relatives and friend are invited as well.

**The ceremony will take place
on Friday, September 24, 2021
at 2 pm
via WebEx.**

As we were not allowed to hold this ceremony last year, this time we celebrate our graduates of the years 2019 and 2020. Unfortunately, the ceremony will take place online only. However, especially at that difficult times we are very proud to congratulate our graduates of the Bachelor programs Informatik, Softwaretechnik, Medieninformatik, Data Science and Maschinelle Sprachverarbeitung as well as our graduates of the Master programs Computational Linguistics, Computer Science, Informatik, Softwaretechnik and INFOTECH (who wrote their thesis in the field of Computer Science).

The registration for the online ceremony, all relevant information as well as the preliminary program can be found here: https://www.f05.uni-stuttgart.de/en/cs/graduation-ceremony/ The WebEx link will be send to all registered persons approximately 2 days previous to the ceremony.

We wish you good luck and all the best for your future and hope that you will stay in contact with your alma mater.

Best regards,
Prof. Stefan Funke (study dean)   and   Informatik-Forum Stuttgart, e.V.
