

# WOMEN'S STEM AWARD 2020

## INTERNATIONAL

Your bachelor or master thesis is completed? You studied a STEM subject (Science, Technology, Engineering or Mathematics)? Perfect. If your thesis addresses one of our innovative topics Artificial Intelligence, Internet of Things, Cloud, Cyber Security or Networks of the Future, please apply for the Women's STEM Award 2020 and receive 3,000 €. In addition, each innovative topic will be awarded 500€ and a special prize for Social Impact will be honored with an extra amount of 500 €.
